# Important Information

## 1) Parent-Child Activity (via PG)

The Parent-Child Activity (PCA) is designed for parents to do with their children from Pre-Kindergarten (PK) to Primary 1. The PCA aims to help parents understand what their children learn at school and how they can support them at home.

A Great Start!

Talk about your child's day at school and ask them questions about their activity and school with your child.

### What's In Your School Bag?

Help your child develop the good habit of packing their bag before school. Chat about what goes in each day and how to check that they have everything they need. When they are ready, let your child try packing their bag on their own.

Here are some questions you can ask:

What should you bring to school every day?

- My pencil case
- School Diary
- 
- 

Which books should you bring?

- Have you checked your timetable?

Anything else?

- Have you checked your School Diary?
- Have you packed your homework?
- Did your teacher give you any forms for me to read or sign?

**TIP 2**

What should you bring to school on Mondays? Draw the items in your school bag
