November 2025

Dear Parent(s)/Guardian(s),

ROAD SAFETY OF STUDENTS

We would like to seek your cooperation to work with the school in ensuring the safety of students coming to and leaving school. This is especially important as young children may not have the skills required to use roads properly and do not always fully appreciate or anticipate the dangers presented. Their small physique also makes them less visible to motorists.

This letter serves to remind all parents of our school's road safety policies and guidelines to ensure the safety of our students.

Safe Driving Guidelines

- Observe speed limits and remain vigilant for pedestrians within the school zone
- Abide by traffic rules and do not drive recklessly or make illegal manoeuvres, e.g. turning into the school from the outer lane(s) of the road
- Follow directions from traffic marshals to facilitate safe and smooth traffic flow
- Avoid the indiscriminate sounding of vehicle horns
- Utilise designated student pick-up and drop-off points during school arrival and dismissal
- Where allowed, ensure swift and safe alighting of your child on the kerb side with the help of an adult

Student Safety Guidelines

Remind your child to:

- Use designated pedestrian crossings and avoid jaywalking or crossing recklessly
- Refrain from running or rushing to catch buses, and avoid crossing in front of or behind them
- Not play near the road
- Stay alert while crossing roads and keep mobile phones away
- Practise the 'Kerb Drill' before crossing:
 - Look right, look left, look right again
 - Ensure all vehicles have stopped
 - Raise hand to indicate crossing intention
 - Cross briskly when the vehicles have stopped entirely (at zebra crossings) or green pedestrian signal is displayed (at signalised crossings)

Additional Safety Reminders

- If your child must cycle to school, he/she should wear a protective helmet, demonstrate competency in safe cycling and is aware of the cycling rules

By following these safety guidelines, we can create a safer environment for our school community. For the safety of everyone, enforcement action will be taken against motorists who violate traffic rules.

We thank all parents and guardians who continue to be positive role models for our children in practicing safe road safety habits.

On Behalf of SPF, LTA and SRSC,

Mrs. Mischa Simon
Principal of CHIJ (Katong) Primary School

Road Safety Begins with You and Me!
